The Permit Office will reopen for business on the first business day following the furlough day or observed holiday at 7:30 a.m.

Note: There may be a need for the Governor to require additional furlough days in the year 2010.

STATUS CHECKS FOR APPLICATIONS/PERMITS: To give the Permit Office the opportunity to process the applications received while the office was closed, do not request a 'Status Check' until after 12 p.m. (noon) on the first business day following the extended closure.

Email all requests for 'Status Checks' to cdot.permits@dot.state.co.us. We will begin to perform status checks after 12 p.m. (noon). We appreciate your cooperation and patience.

Please plan ahead! For best service, please submit OS/OW applications early in the week just prior to the observed holiday and the scheduled furlough day, to allow us time to process your OS/OW permit. We process applications in the order in which they are received and we have a 2-hour turn around time for single trips. Applications received after 3 p.m. on day prior to the holiday or furlough day will very likely not be processed until the Permit Office opens due to the closure of all state offices. We apologize for any inconvenience this may cause.
